SAFETY LIFTIN GEAR

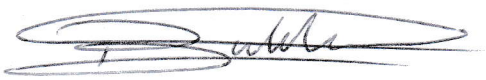

Environmental Policy

Safety Liftin Gear (Tacklestore Ltd) understands that our operations have an impact on the environment, both locally and globally, and are committed to the continual environmental improvement of our activities.

To attain this Safety Liftin Gear (Tacklestore Ltd) will;

- Comply with all relevant environmental legislation, regulations, standards and other relevant codes of practice.
- Aim to prevent pollution by applying best practice guidelines to all activities.
- Training all staff so that they are aware of their environmental responsibilities.
- Take action to reduce the amount of waste that we send to landfill.
- Seek opportunities to reduce, reuse and recycle materials and resources.
- Implement this policy through communication of the policy to all staff and provision of sufficient training for them to fulfill their obligations.
- Display this policy on staff notice boards
- Work in partnership with our suppliers to promote effective environmental supply chain management and sustainable sourcing of products and materials.
- Review this policy at least annually or if the specific need arises.

Signed:-

Karl Butcher
