

Wirecutters

IronGrip has a wide selection of wire cutters for different applications. From classic leverage cutter to ratchet or hydraulic operated cutters. The common denominator is the intended use on a work site where there is no access to power as electricity, pneumatic or hydraulic pumps. All cutters are of IronGrip proven quality.

IronGrip Wire Cutter ES3

The **ES3** is a classic scissor cutter with long handles for good leverage. Surface-grounded and special hardened blades made of high coated steel. All parts are replaceable.

Cuts up to 14 mm standard steel wire rope (<1800 N/mm²).

IronGrip Ratchet Wire Cutter, single handed, SCS-series

The SCS makes it easy to cut steel wire ropes without effort. They are ergonomically designed with pivoting blades in tempered Cr-V steel and gives a smooth and even cut surface. All parts are exchangeable.

The SCS-series comes in two sizes:

SCS13, cuts flexible standard steel wire up to 13 mm or up to 10 mm compacted

SCS18, cuts flexible standard steel wire up to 18 mm or up to 15 mm compacted.

IronGrip Ratchet Wire Cutter, two handed, SCSZ-series

The SCSZ allows cutting of large diameter steel wire ropes. The cutters are ergonomically designed with pivoting blades in tempered Cr-V steel and gives a smooth and even cut surface. All parts are exchangeable.

The SCSZ-series comes in two sizes:

SCSZ20, cuts flexible standard steel wire up to 20 mm or up to 16 mm compacted

SCSZ30, cuts flexible standard steel wire up to 30 mm or up to 25 mm compacted.

IronGrip Hydraulic Hand-pumped Wire Cutter, KB5

The **KB5** has a guillotine-type cutting edge which allows cutting of thick steel wires compared to the compact size of the cutter. It is very easy to operate and gives a perfectly smooth and even cut surface.

Blades are exchangeable.

KB5 cuts flexible standard steel wire ropes up to 18 mm diameter with max 1800 N/mm². More rigid or compacted wire up to 15-16 mm.

TECHNICAL DATA:

Art.no	Name	Max wire diameter		Measures	
		Compact wire	Standard wire	Length (mm)	Weight (kg)
310014	Wire Cutter ES3	N/A	14 mm	715	2.6
310013	Wire Cutter SCS13	10 mm	13 mm	240	0.8
310018	Wire Cutter SCS18	15 mm	18 mm	317	1.7
310020	Wire Cutter SCSZ20	16 mm	20 mm	440	1.9
310030	Wire Cutter SCSZ30	25 mm	30 mm	703	5.3
312018	Hydraulic Cutter KB5	15-16 mm	18 mm	410	3.2
