

Working pressure 700 bar

All these pumps are one-way for single-acting applications. HHB-700C is supplied with 1.2-meter length high pressure hose. Other pumps are supplied with 1.8-meter length high pressure hose.

HHB-700B comes with pressure gauge and gauge adaptor .

## Characteristics:

- Robust, durable and compact.
- Two-speed hydraulic system for fast and easy operation.
- Lower handle effort to minimize operator fatigue.
- Large and comfortable release knob for improved control of pressure release.
- Internal pressure relief valve for overload protection.
- Supplied with R2 3/8 quick coupler and dust cap.
