RGH13Y

SUMMIT Y-SHAPED HARNESS RGH13Y

Our Y-shaped Summit climbing harness comes with three points of connection, designed to cover most activities.

This collection of harnesses are colour coded for easy and fast size allocation. The step in design and different coloured right leg loop simplifies donning. The easy slide buckles makes for easy adjusting meaning resizing the harness is effortless and fast.

The numerous connection points make this harness suitable for most outdoor activities. The harness is also designed to ensure that once it has been donned it is difficult to take off unless assisted by an instructor for added safety.

- / Chest, ventral & rear attachment point
